Occasional Use Inventory

SPACECONNECTION offers:

- Dedicated Occasional-Use and Fulltime satellite capacity across the US domestic arc
- Preferred rates and cost savings on Loral, Intelsat, SES and Telesat satellite systems
- Volume discounts for Domestic and International Services
- 5 minute Occasional-Use windows on the SBS-6 satellite
- Fixed and transportable uplink services through a variety of partners
- Production, syndication & video fiber transmission services

SPACECONNECTION provides:

- Dedicated satellite booking services
- Direct Booking on our State-of-the-Industry Computerized Scheduling System
- Direct access to Intelsat's Occasional-Use booking system
- A dedicated SNG Access Center to support 5-minute booking windows on our SBS-6 Satellite inventory
